

Coolmine Therapeutic Community's commitment to those who need our help will continue to remain throughout these difficult economical times, as now more than ever people need our services.

However, we do need the support from the wider community to help us continue to turn lives around and allow people the chance to contribute positively to society.

We provide a range of quality services including; outreach, drop in services, stabilisation programmes, day programmes, residential programmes, education, community employment, right through to lifelong aftercare.

Our mother and child residential treatment programme is the only one in Ireland. Often a major barrier for mothers seeking treatment is that they are afraid to leave their children or simply don't have anyone to look after them. We eliminate this barrier by allowing children stay with their mothers while they seek treatment. The children, who may have come from chaotic backgrounds, are looked after during the day in our safe and secure crèche by our dedicated staff. The children are then cared for by their mothers in the evening and weekends, allowing vital bonding continue.

"I just felt stuck. You want to get clean but you don't want to leave your kids ..women who are in addiction and have kids don't really have very many options."

Gillian, mother who had her child in Ashleigh House

COOLMINE
OVERCOMING ADDICTION, SUPPORTING RECOVERY

Friends of Coolmine

Coolmine Therapeutic Community is a charity which supports and empowers people to overcome addiction. We have been helping people in Ireland for 40 years and unfortunately our services are needed now more than ever.

*Will you give us a helping hand
and become our Friend?*

By becoming a Friend of Coolmine you are supporting a vital service which will help transform the lives of the people we assist and their families. For every one person caught up in the torment of addiction at least eight other people's lives are impacted upon; children, parents, partners, brothers, sisters, friends....

We work with over 1,000 people each year to support them and their families as they commence their journey to overcome their addiction. By committing to make a regular gift to Coolmine you are helping us provide this support.

Please, will you help us so we can continue our work among some of the most vulnerable people in our society.
